Transcript: ENST00000880280.1 | Protein: ENSP00000550339.1

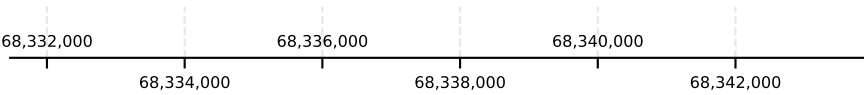

A horizontal number line with several tick marks. Four colored bars are placed above the line: a green bar, a purple bar, a blue bar, and a yellow bar. The green bar is the longest, followed by the purple bar, then the blue bar, and finally the yellow bar. The bars are arranged in a sequence from left to right, with some overlap between them.

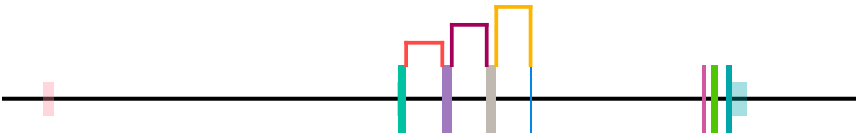

The diagram consists of a horizontal black line. Above the line, there are several colored vertical bars and horizontal segments. From left to right, these include: a pink vertical bar; a teal vertical bar; a red horizontal segment; a purple vertical bar; a grey vertical bar; an orange horizontal segment; a blue vertical bar; a green vertical bar; an orange vertical bar; a blue vertical bar; a green vertical bar; and a light orange horizontal segment.
