A number line representing the range from 6,580,000 to 6,589,000. The line has major tick marks at 6,580,000, 6,583,000, 6,586,000, and 6,589,000. Between these major ticks, there are two minor tick marks, dividing each 3,000-unit interval into three 1,500-unit intervals. The minor tick marks are labeled 6,581,500, 6,584,500, and 6,587,500.

A diagram of a 1D lattice represented by a horizontal black line. On the left, there is a small light blue square, followed by a small grey square, then a large brown square. A red bracket is positioned above the brown square, extending to the right. To the right of the brown square is a green square. Further to the right, there is a cyan square, a purple square, an orange square, a dark blue square, a green square, a pink square, a brown square, and finally a large blue square on the far right. A small light blue square is also present at the very end of the lattice on the right.
