A horizontal bar chart is located at the bottom right of the page. It consists of a multi-colored segment on the left, followed by a white segment on the right. The multi-colored segment is composed of many small, adjacent rectangles in various colors including green, yellow, blue, red, orange, and purple. The white segment is a single, larger rectangle.

------------------------------	-------------------	--	--	--	--	--

The bar chart consists of a sequence of colored segments followed by a white segment. The colored segments, from left to right, are: purple, light blue, dark blue, yellow, green, blue, dark green, light green, brown, tan, pink, light pink, teal, orange, and red. The white segment occupies the remaining space to the right of the red segment.
