The diagram shows a protein structure with a highlighted orange loop. A legend bar at the top right indicates the color coding for different domains, with the text "No domains" below it.

no annotated protein

No domains

The diagram shows a protein structure with a missing domain. A horizontal line represents the protein backbone. On the right side, a segment of the backbone is highlighted in orange and labeled "No domains". This segment is missing a domain that would otherwise be present in the structure.

no annotated protein
