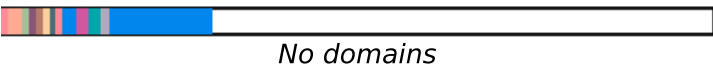

Diagram illustrating a protein structure with a single green bar. The legend indicates: No domains.

The diagram consists of two parts. On the left, a horizontal black line is intersected by a vertical blue line. On the right, there is a bar chart with a single bar. The bar has a dark blue segment on the left and a white segment on the right. Below the bar, the text "No domains" is written in a black, italicized font.

Transcript: ENST00000373377.1 | Protein: N/A

The left number line represents the number of people, with values decreasing from left to right: 34,100,000, 34,000,000, 33,900,000, 33,800,000, 33,700,000, and 33,600,000. The right number line represents the number of buses, with values increasing from left to right: 800, 1600, 2400, and 3200.

Diagram illustrating a horizontal line with a cluster of vertical lines (blue, red, black) and a legend bar with colored segments (teal, purple, orange, red, grey) labeled "No domains".

Transcript: ENST00000338325.1 | Protein: N/A

The diagram consists of a horizontal line. A vertical line intersects it. To the right of the intersection, there is a box labeled "No domains".
